## WHAT I AM DOING?

# 1

### LEARN NEW LANGUAGE

Both programming and foreign language

### SHARING PHOTOGRAPHS AND THOUGHTS

Upload my photographs on my Instagram

## WHY AM I DOING IT?

# 2

### LEARN NEW LANGUAGE

#### Programming Language:

- ☐ Explore and see the difference on some programming languages.
- ☐ Practice my algorithms by repeatedly solving problems on different language.

#### Foreign Language:

- ☐ I want to travel
- ☐ We were thought Spanish in JHS and I have continued to learn more
- ☐ To understand other's culture

### SHARING PHOTOGRAPHS AND THOUGHTS

Though I am a *house-person* I have always loved travelling since then. I have always wanted to visit aesthetic and historical places. And since life is not forever, I don't want to limit to my home country alone.

Furthermore, I have witnessed lots of judgement from one country to another and would like to take a different step

## HOW IT HELPED ?

3

### LEARN NEW LANGUAGE

#### Programming Language:

- ☐ Improved my algorithms and my grades
- ☐ Understand other language

#### Foreign Language:

- ☐ I can somehow communicate with my friends in our messenger group and in the gaming community

### SHARING PHOTOGRAPHS AND THOUGHTS

Being quarantined is not a hard time for me. But it makes me happy looking back at my feed and reading the captions I had.

A wave of nostalgia just hits unto me- remembering how happy I and the people I traveled with when we were in that scene.

## ISSUES THAT CAME UP

4

### LEARN NEW LANGUAGE

#### Programming Language:

- ☐ I am having a hard time translating the algorithms

#### Foreign Language:

- ☐ I am so indecisive that I keep transferring from one language to another.

### SHARING PHOTOGRAPHS AND THOUGHTS

I had trial and error for the theme I would use on my feed
